- Communication Skills
- GitHub VCS
- Presentation Skills
- Agile Development

PROFILE

I am a dedicated BS student majoring in Computer Science, currently in my 7th semester. With experience in front-end development from a remote internship and as a Lab Demonstrator for Computer Networking at my university, I possess strong skills in software development and diverse programming languages. My career interests center around Artificial Intelligence and Machine Learning while maintaining proficiency in web development, android development and database technologies. Known for my punctuality, communication, and presentation skills, I am committed to delivering high-quality work in all endeavours.

WORK EXPERIENCE

FAST NUCES

Lab Demonstrator, Computer Networks Lab

FEB 2024 -- MAY 2024

- Assisted instructor in lab sessions and graded student assignments.
- Emphasized Cisco Packet Tracing and Socket Programming in the curriculum.
- Facilitated hands-on learning and troubleshooting to enhance student understanding of networking concepts.

Interns.pk
